*Achtung-Panzer!* Heinz Guderian 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

**Chivalry** C. J. McKnight 1994 Examines chivalry in the context of the Middle Ages

**Decoding Ancient History** Carol G. Thomas 1994 The authors present clues locked within artifacts, woven into oral tradition, encrypted in ancient writing, and embedded in the land itself which help to decipher some of ancient history's most intriguing cases.

**Social Media Marketing** Tracy L. Tuten 2014-12-09 \*\*Winner of the TAA 2017 Textbook Excellence Award\*\* "Social Media Marketing deserves special kudos for its courage in tackling the new frontier of social media marketing. This textbook challenges its readers to grapple with the daunting task of understanding rapidly evolving social media and its users."—TAA Judges Panel Social Media Marketing was the first textbook to cover this vital subject. It shows how social media fits into and complements the marketer's toolbox. The book melds essential theory with practical application as it covers core skills such as strategic planning for social media applications, incorporating these platforms into the brand's marketing communications executions, and harnessing social media data to yield customer insights. The authors outline the "Four Zones" of social media that marketers can use to achieve their strategic objectives. These include: 1. Community (e.g. Instagram) 2. Publishing (e.g. Tumblr) 3. Entertainment (e.g. Candy Crush Saga) 4. Commerce (e.g. Groupon) This Second Edition contains new examples, industry developments and academic research to help students remain current in their marketing studies, as well as a new and improved user-friendly layout to make the text easy to navigate. The textbook also provides a free companion website that offers valuable additional resources for both instructors and students. Visit: study.sagepub.com/smm. Readers of the book are also invited to join the authors and others online by using the hashtag: #smm

**Canon EOS 60D For Dummies** Julie Adair King 2011-01-14 A full-color guide to all the bells and whistles in your new Canon 60D If you own a Canon 60D, you've got a camera for advanced amateurs and one that's very close to professional-level equipment. **Grandad Mandela** Ambassador Zindzi Mandela 2018-06-28 "...profoundly moving..." -Publishers Weekly Nelson Mandela's two great-grandchildren ask their grandmother, Mandela's youngest daughter, 15 questions about their grandad - the global icon of peace and forgiveness who spent 27 years in prison. They learn that he was a freedom fighter who put down his weapons for the sake of peace, and who then became the President of South Africa and a Nobel Peace Prize-winner, and realise that they can continue his legacy in the world today. Seen through a child's perspective, and authored jointly by Nelson Mandela's great-grandchildren and daughter, this amazing story is told as never before to celebrate what would have been Nelson's Mandela 100th birthday.

**Health Policy Analysis** John W. Seavey 2014-05-27 This supplemental text to health policy and health policy analysis core courses provides a step by step framework and guidance to prepare a policy analysis final paper or capstone project.

*Girl Last Seen* Heather Anastasiu 2016-03-01 Kadence Mulligan's star was rising. She and her best friend, Lauren DeSanto, watched their songs go viral on YouTube, then she launched a solo career when a nasty throat infection paralyzed Lauren's vocal chords. Everyone knows Lauren and

Kadence had a major falling-out over Kady's boyfriend. But Lauren knows how deceptive Kadence could be sometimes. And nobody believes Lauren when she claims she had nothing to do with the disappearance. Or the blood evidence... As the town and local media condemns Lauren, she realizes the only way to clear her name is to discover the truth herself. Lauren slowly unravels the twisted life of Kadence Mulligan and sees that there was more to her than she ever knew. But will she realize she's unknowingly playing a part in an elaborate game to cover up a crime before it's too late?

*High Dynamic Range Digital Photography For Dummies* Robert Correll 2009-12-30 Each book covers all the necessary information a beginner needs to know about a particular topic, providing an index for easy reference and using the series' signature set of symbols to clue the reader in to key topics, categorized under such titles as Tip, Remember, Warning!, Technical Stuff and True Story.

Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

**Radar Instruction Manual** United States. Maritime Administration 2005 Since 1958 the Maritime Administration has continuously conducted instructions in use of collision avoidance radar for qualified U.S. seafaring personnel and representatives of interested Federal and State Agencies.Beginning in 1963, to facilitate the expansion of training capabilities and at the same time to provide the most modern techniques in training methods, radar simulators were installed in Maritime Administration's three region schools.It soon became apparent that to properly instruct the trainees, even with the advanced equipment, a standardize up-to-date instruction manual was needed. The first manual was later revised to serve both as a classroom textbook and as an onboard reference handbook.This newly updated manual, the fourth revision, in keeping with Maritime Administration policy, has been restructured to include improved and more effective methods of plotting techniques for use in Ocean, Great Lakes, Coastwise and Inland Waters navigation.Robert J. BlackwellAssistant Secretary for Maritime Affairs

**Industrial Maintenance and Mechatronics** Shawn A. Ballee 2018-09-18 "Industrial Maintenance and Mechatronics provides support for an Industrial Technology Maintenance (ITM) program. It covers the principal industrial technology disciplines, with a focus on electrical systems and electronic controls. It provides students with the necessary knowledge for entry-level positions in industrial maintenance and prepares them for NIMS Level 1 credentialing"--

**The Fair Fight** Anna Freeman 2015-04-14 NAMED A BEST BOOK OF THE YEAR BY BOOKPAGE AND LIBRARY JOURNAL The Crimson Petal and the White meets Fight Club: A page-turning novel set in the world of female pugilists and their patrons in late eighteenth-century England. Moving from a filthy brothel to a fine manor house, from the world of street fighters to the world of champions, *The Fair Fight* is a vivid, propulsive historical novel announcing the arrival of a dynamic new talent. Born in a brothel, Ruth doesn't expect much for herself beyond abuse. While her sister's beauty affords a certain degree of comfort, Ruth's harsh looks set her on a path of drudgery. That is until she meets pugilist patron George Dryer and discovers her true calling—fighting bare knuckles in the prize rings of Bristol. Manor-born Charlotte has a different cross to bear. Scarred by smallpox, stifled by her social and romantic options, and trapped in twisted power games with her wastrel brother, she is desperate for an escape. After a disastrous, life-changing fight sidelines Ruth, the two women meet, and it alters the perspectives of both of them. When Charlotte presents Ruth with an extraordinary proposition, Ruth pushes dainty Charlotte to enter the ring herself and learn the power of her own strength. A gripping, page-turning story about people struggling to transcend the circumstances into which they were born and fighting for their own places in society, *The Fair Fight* is a raucous, intoxicating tale of courage, reinvention, and fighting one's way to the top.

*Homicide Investigations* Allan B. Smythe 2009-01-01 Dr Albert P Cardarelli (University of Massachusetts, Boston) and Dr. Charles Wellford (University of Maryland, College Park) opened the conference by presenting their research to help illuminate the consequences of unsolved murders and the variables that have contributed to the decline in clearance rates. Their research revealed that the changing nature of crime, the decentralisation of police departments, and the rise in gang violence have all had an impact on the effectiveness of homicide investigations. Law enforcement executives, academics, attorneys, and federal government representatives addressed the different effective strategies that have been developed to combat these problems, including various management and personnel decisions, videotaping suspect interviews, considering the availability of eyewitness identification options (simultaneous line-ups versus sequential line-ups), DNA analysis, and using cold case units and crime analysts to increase clearance rates. Case studies presented at the conference highlighted both the strengths and weaknesses associated with various investigation techniques. A town hall forum allowed attendees to discuss variables that contribute to an effective homicide unit. A lively discussion ensued, with participants mainly focusing on the role of science and technology, specifically how technology may at first appear to complicate the process but ultimately assists law enforcement by fostering change and improving investigational methods.

**The San Rafael Swell** Emery County Archives 2008 The San Rafael Swell is an anticline, or a geological uplift, that originally looked like an oval bowl turned upside down. Over time it has been carved into castle-like formations and deep canyons by erosive conditions. This landscape seemed so formidable to early cartographers that it was the last area in the continental United States to be mapped. The San Rafael Swell itself has no permanent human inhabitants, but small towns are scattered along its northern and eastern borders where first American Indians and later cowboys, ranchers, and miners made their homes. The hardy settlers of these towns familiarized themselves with what they called "the Desert" and gradually discovered its treasures and its secrets.

The Spotsylvania Campaign Gary W. Gallagher 2010-02-01 The Spotsylvania Campaign was a crucial period in the protracted confrontation between Ulysses S. Grant and Robert E. Lee in spring 1864. Approaching the campaign from a variety of perspectives, the contributors to this volume explore questions regarding high command, tactics and strategy, the impact of continuous fighting on officers and soldiers in both armies, and the ways in which some participants chose to remember and interpret the campaign. They offer insight into the decisions and behavior of Lee and of Federal army leaders, the fullest descriptions to date of the horrific fighting at the "Bloody Angle" on May 12, and a revealing look at how Grant used his memoirs to counter Lost Cause interpretations of his actions at Spotsylvania and elsewhere in the Overland Campaign. The contributors are William A. Blair, Peter S. Carmichael, Gary W. Gallagher, Robert E. L. Krick, Robert K. Krick, William D. Matter, Carol Reardon, and Gordon C. Rhea.
