Wayside School is Falling Down Louis Sachar 2010-11-01 'Watch closely,' said Mrs Jewls. 'You can learn much faster using a computer instead of paper and pencil.' Then she pushed the computer out of the window. The children all watched it fall thirty floors. 'See?' said Mrs Jewls. 'That's gravity . . .' That's the way things happen at Wayside School. There are twenty-nine kids in Mrs Jewls' class and this book is about all of them: there is Todd, who is in trouble every day, until he gets a magic dog; Paul, whose life is saved

by Leslie's pigtails; Ron, who dares to try the cafeteria's mushroom surprise; and all the others who help turn a day at Wayside School into one madcap adventure after another.

Country Matters Michael Korda 2009-03-17 "Dreaming of moving to the country? First, read Michael Korda's engaging memoir. City types will find laughter, profit, and fair warning in Country Matters." -Washington Post With his inimitable sense of humor and storytelling talent, New York Times bestselling author Michael Korda brings us this charming, hilarious, self-deprecating memoir of a city couple's new life in the country. At once entertaining, canny, and moving, Country Matters does for Dutchess County, New York, what Under the Tuscan Sun did for Tuscany. This witty memoir, replete with Korda's own line drawings, reads like a novel, as it chronicles the author's transformation from city slicker to full-time country gentleman, complete with tractors, horses, and a leaking roof. When he decides to take up residence in an eighteenth-century farmhouse in Dutchess County, ninety miles north of New York City, Korda discovers what country life is really like: Owning pigs, more than owning horses, even more than owning the actual house, firmly anchored the Kordas as residents in the eyes of their Pleasant Valley neighbors. You may own your land, but without concertina barbed wire, or the 82nd Airborne on patrol, it's impossible to keep people off it! It's possible to line up major household repairs

over a tuna melt sandwich. The locals are not particularly quick to accept these outsiders, and the couple's earliest interactions with their new neighbors provide constant entertainment, particularly when the Kordas discover that hunting season is a year-round event—right on their own land! From their closest neighbors, mostly dairy farmers, to their unforgettable caretaker Harold Roe—whose motto regarding the local flora is "Whack it all back!"—the residents of Pleasant Valley eventually come to realize that the Kordas are more than mere weekenders. Sure to have readers in stitches, this is a book that has universal appeal for all who have ever dreamed of owning that perfect little place to escape to up in the country, or, more boldly, have done it.

And then there's the scariest aspect of island life -- teenaged children.

Cat Chaser Elmore Leonard 2009-10-13 "Cat Chaser is just what one would expect from Elmore Leonard—quirky, peopled with oddball characters...and more twists and turns than a roller coaster." —Cleveland Plain Dealer "A superior example of gritty writing and violent action." —New York Times There are numerous reasons why Grand Master Elmore Leonard is considered "the coolest, hottest thriller writer in America" (Chicago Tribune) and "the greatest crime writer of our time, perhaps ever" (New York Times Book Review). Cat Chaser is one of them. A gripping, lightning-paced tale of an ex-soldier-turned Florida

motel owner whose dangerous affair with the mistress of a Dominican general in exile—a former death squad leader—threatens to have lethal consequences...especially when drugs, double-cross, and murderous mob thugs are added into the mix. A classic thriller from crime fiction master who first brought us U.S. Marshal Raylan Givens, currently of TV's *Justified*, *Cat Chaser* proves once more that when the true greats of mystery and suspense are mentioned—John D. MacDonald, Dashiell Hammett, James M. Cain, Robert Parker, et al—Elmore Leonard tops the list.

Looking for Betty MacDonald Paula Becker 2017-05-01 Betty Bard MacDonald (1907-1958), the best-selling author of *The Egg and I* and the classic *Mrs. Piggle-Wiggle* children's books, burst onto the literary scene shortly after the end of World War II. Readers embraced her memoir of her years as a young bride operating a chicken ranch on Washington's Olympic Peninsula, and *The Egg and I* sold its first million copies in less than a year. The public was drawn to MacDonald's vivacity, her offbeat humor, and her irreverent take on life. In 1947, the book was made into a movie starring Fred MacMurray and Claudette Colbert, and spawned a series of films featuring MacDonald's Ma and Pa Kettle characters. MacDonald followed up the success of *The Egg and I* with the creation of *Mrs. Piggle-Wiggle*, a magical woman who cures children of their bad habits, and with three additional memoirs: *The Plague and I* (chronicling her time in a tuberculosis sanitarium just outside Seattle), *Anybody Can Do Anything* (recounting her madcap attempts to find work during the Great Depression), and *Onions in the Stew* (about her life raising two teenage daughters on Vashon Island). Author Paula Becker was granted full access to Betty MacDonald's archives, including materials never before seen by any researcher. *Looking for Betty MacDonald*, a biography of this endearing Northwest storyteller, reveals the story behind the memoirs and the difference between the real Betty MacDonald and her literary persona. Hello, Mrs. Piggle-Wiggle! Chad Henry

2016 Hello, Mrs. Piggle-Wiggle! brings the uproarious stories of Betty MacDonald and her heroine, Mrs. Piggle-Wiggle, to the musical stage. Mrs. Piggle-Wiggle lives on the outskirts of town with her parrot, Penelope, in an upside-down house built by her husband, a pirate - a house which is usually overrun with children playing, painting, digging in the yard, playing dress-up, and generally having a wonderful time. Mrs. Piggle-Wiggle loves children, and she especially loves helping children and families who are having such difficulties as fighting and

quarreling, interrupting, displaying bad table manners, clumsiness, rudeness and problems with picking up their rooms or taking a bath. Mrs. P. understands kids in a way that no one else can, and her pirate's chest of magical cures and her imaginative and slyly humorous ways to solve problems never fail to save the day. Rousing songs, dances, dream sequences and high comedy make this a family favorite - a show that appeals to parents almost as much as children. Your family will share laughter and music together and will surely recognize themselves in at least one of these hilarious episodes.
