The Blondes Emily Schultz 2015-04-21 *The Blondes* is a hilarious and whipsmart novel where an epidemic of a rabies-like disease is carried only by blonde women, all of whom must go to great lengths to conceal their blondness. Hazel Hayes is a grad student living in New York City. As the novel opens, she learns she is pregnant (from an affair with her married professor) at an apocalyptically bad time: random but deadly attacks on passers-by, all by blonde women, are terrorizing New Yorkers. Soon it becomes clear that the attacks are symptoms of a strange illness that is transforming blondes--whether CEOs, flight attendants, students or accountants--into rabid killers. Emily Schultz's beautifully realized novel is a mix of satire, thriller, and serious literary work. With biting satiric wit, *The Blondes* is at once an examination of the complex relationships between women, and a merciless but giddily enjoyable portrait of what happens in a world where beauty is--literally--deadly.

poorhouse for the homeless, and now as a psychiatric hospital. With that troubled history come superstitions like the Maude, believed to be the ghost of a sadistic workhouse matron. But while some of the patients and staff think the Maude is behind a series of unexplained episodes of self-harm amongst the ward's patients, nursing coordinator AJ LeGrande thinks they might be the work of an all too human horror--a homicidal patient who was released back into the public in error. Calling on Det. Jack Caffery, LeGrande hopes his investigation will reveal what's truly been going on inside and outside the hospital's walls. But what Caffery discovers about former patient Isaac Handel is beyond anyone's imagining. "Enough evil to keep readers awake long after the cases are solved . . . It begins with a triple murder in a Moscow amusement center: three corpses found frozen in the snow, faces and fingers missing. Chief homicide investigator Arkady Renko is brilliant, sensitive, honest, and cynical about everything except his profession. To identify the victims and uncover the truth, he must battle the KGB, FBI, and the New York City police as he pursues a rich, ruthless, and well-connected American fur dealer. Meanwhile, Renko is falling in love with a beautiful, headstrong dissident for whom he may risk everything.
