Secrets Daniel Ellsberg 2003-09-30 The true story of the leaking of the Pentagon Papers, the event which inspired Steven Spielberg's feature film *The Post* In 1971 former Cold War hard-liner Daniel Ellsberg made history by releasing the Pentagon Papers - a 7,000-page top-secret study of U.S. decision-making in Vietnam - to the New York Times and Washington Post. The document set in motion a chain of events that ended not only the Nixon presidency but the Vietnam War. In this remarkable memoir, Ellsberg describes in dramatic detail the two years he spent in Vietnam as a U.S. State Department observer, and how he came to risk his career and freedom to expose the deceptions and delusions that shaped three decades of American foreign policy. The story of one man's exploration of conscience, *Secrets* is also a portrait of America at a perilous crossroad. "[Ellsberg's] well-told memoir sticks in the mind and will be a powerful testament for future students of a war that the United States should never have fought." -The Washington Post "Ellsberg's deft critique of secrecy in government is an invaluable contribution to understanding one of our nation's darkest hours." -Theodore Roszak, San Francisco Chronicle

Paper Heirloom Vivian Davis 2014-10-22 The author has "a pirate's chest" of silver to leave her children. But silver tarnishes, begs to be stolen, and, most of all, is mute. Instead, she offers memories: "Stories to page through and chuckle over. No need to keep them polished." *Paper Heirloom* is an openhearted, witty, reflective memoir of a shy girl who has been "lucky since the age of five." Witkind Davis takes us from a robber baron grandfather whom she never knew, through a difficult time as a preschooler, and into fascinating tales of growing up in a large, successful Ohio family during the turbulent nineteen-sixties. "The story we bring out annually about Uncle Fred is how he changed the date of Thanksgiving." "How come you keep a bong in your vanity drawer?" asked my son, Josh. "How come you know it's a bong?" I asked him. "However much they love their sports teams, most fans can't buy them...Char did."

Paper Sons Dickson Lam 2018 Winner of the Autumn House Nonfiction Contest, selected by Alison Hawthorne Deming (2017) Set in a public housing project in San Francisco, Lam's memoir explores his transformation from a teenage graffiti writer to a high school teacher working with troubled youth while navigating the secret violence in his immigrant's family's past.

Folding Paper Cranes Leonard Bird 2005 Follows a former Marine, who was exposed to high doses of radiation while working at the Nevada Test Site in the 1950s and 60s, on his journey to find peace with his past and a future of nuclear proliferation.

I Am Cancer Free Brenda C. Mohammed 2014-04-14 This is a most touching and emotional true story. of the author's battle with cancer. It is a detailed and personal account of how a very strong believer and family-oriented woman beat ovarian cancer. Although that type of cancer historically develops rapidly and has devastating effects, this true story shows how faith, family and love are a powerful force to reckon with. A must read for anyone with or without an illness! Eight years hence she is Cancer Free. It shows what faith in God can do. God is really alive and can work miracles in our lives. We just have to believe. The Author relates events when her life and financial well-being were threatened by this dreadful disease. Her strong faith in God saw her through all the trials she had to undergo during her several months of treatment. Writing this book gives her the opportunity to demonstrate to others the meaning of prayer and family unity . Eight years hence, she is now Cancer Free and wants to shout it to the world. The book serves as an inspiration for those in a similar situation to not give up but trust in god and continue fighting. She especially wants to acknowledge her loving husband who was a pillar of support throughout her ordeal.

Always a Bridesmaid (for Hire) Jen Glantz 2017-02-07 In the tradition of Sloane Crosley, Mindy Kaling, and Katie Heaney, a hilarious and insightful memoir about one New York City Millennial's journey to find herself, her dream career, and true love, all while juggling a truly unique job as the world's only professional bridesmaid. After moving to New York City in her mid-twenties to pursue her dream of writing—and not living on the “Upper East Side” of her parents’ house anymore—Jen Glantz looked forward to a future of happy hours and Sunday brunches with her besties. What she got instead were a string of phone calls that began with, "Jen, I have something exciting to tell you!" and ended with, "I'd be honored if you would be my bridesmaid." At first she was delighted, but it wasn't long before she realized two things: all of her assets were tied up in bridesmaid dresses, and she herself was no closer to finding The One. She couldn't do much about the second thing (though her mother would beg to differ), but she could about the first. One (slightly tipsy) night, Jen posted an ad on Craigslist advertising her services as a professional bridesmaid. When she woke up the next morning, it had gone viral. What began as a half-joke suddenly turned into a lifetime of adventure for Jen—and more insight into the meaning of love than she was getting from OKCupid—as she walked down the aisle at stranger after stranger's wedding. Fresh, funny, and surprisingly sweet, *Always a Bridesmaid (For Hire)* is an entertaining reminder that even if you don't have everything together, you can still be a total boss—or, at the very least, a BFF to another girl in need.

The Memoir Project Marion Roach Smith 2011-06-09 Read the "practical resource for beginners" looking to write their own memoir because this is the essential guide on the topic -- now new and revised (Kirkus Reviews)! The greatest story you could write is the one you experienced yourself. Knowing where to start is the hardest part, but it just got a little easier with this essential guidebook for anyone wanting to write a memoir. Did you know that the #1 thing that baby boomers want to do in retirement is write a book--about themselves? It's not that every person has lived such a unique or dramatic life, but we inherently understand that writing a memoir--whether it's a book, blog, or just a letter to a child--is the single greatest path to self-examination. Through the use of disarmingly frank, but wildly fun tactics that offer you simple and effective guidelines that work, you can stop treading water in writing exercises or hiding behind writer's block. Previously self-published under the title, *Writing What You Know: Raelia*, this book has

found an enthusiastic audience that now writes with intent. While there have been other writing books, there's nothing like Marion Roach Smith's *The Memoir Project*.

Making Other Plans Craig Comes 2014-09-03 Craig Comes planned for a journalism career, while his friends expected him to become a bestselling author. But un-diagnosed Attention Deficit Disorder (ADD) and Depression struck after college. After the writing stopped, delusion and denial lead to poverty, long term joblessness and self-imposed exile. Returning to himself would take 15 years in a journey spanning from California Wine Country to the South African veld. This is his story.

The Blue Touch Paper: A Memoir David Hare 2015-11-02 "Extraordinary. . . . This is no butterfly-watching stroll through a life." —Dwight Garner, *New York Times* David Hare has long been one of Britain's best-known screenwriters and dramatists. He's the author of more than thirty acclaimed plays that have appeared on Broadway, in the West End, and at the National Theatre. He wrote the screenplays for the hugely successful films *The Hours*, *Plenty*, and *The Reader*. Most recently, his play *Skylight* won the 2015 Tony Award for Best Revival on Broadway. Now, in his debut work of autobiography, "Britain's leading contemporary playwright" (*Sunday Times*) offers a vibrant and affecting account of becoming a writer amid the enormous flux of postwar England. In his customarily dazzling prose and with great warmth and humor, he takes us from his university days at Cambridge to the swinging 1960s, when he cofounded the influential Portable Theatre in London and took a memorable road trip across America, to his breakthrough successes as a playwright amid the political ferment of the '70s and the moment when Margaret Thatcher came to power at the end of the decade. Through it all, Hare sets the progress of his own life against the dramatic changes in postwar England, in which faith in hierarchy, religion, empire, and the public good all withered away. Filled with indelible glimpses of such figures as Alfred Hitchcock, Laurence Olivier, Tennessee Williams, Helen Mirren, and Joseph Papp, *The Blue Touch Paper* is a powerful evocation of a society in transition and a writer in the making.

My Paper Chase Harold Evans 2010-06-03 From a wartime beach in Wales to the gleaming skyscrapers of twenty-first-century Manhattan, the extraordinary career of Fleet Street legend Harold Evans has spanned five decades of tumultuous social, political and creative change. Just how did a working class Lancashire boy, who failed the eleven-plus, rise to a position where he could so effectively give voice to the unheard? Born in the bleak years between the wars in the sprawl of Greater Manchester into a thrifty, diligent and loving family, Evans inherited only the privilege of his parents' example. Theirs was a work ethic that led Evans through night school classes, national service and a passionate commitment to regional life, and, finally, to his unassailably successful editorship of one of our greatest newspapers, the *Sunday Times*. Whether unpicking the murderous chaos of Bloody Sunday, pursuing a foreign correspondent's murderers or uncovering the atrocity of Thalidomide, this consummate newsman evokes his contagious passion: for the real story and the truth.

All My Friends Are Engaged Jen Glantz 2015-10-02 Chances are you've been there before: on an awkward first date where you find yourself stuck playing 20 questions with a person who has broccoli stuck in their teeth, or who spends half the evening whining about how their ex left them with an achy-breaky heart, or the one who shows up so on-the-rocks wasted that they end up passed out in their bowl of clam chowder before the main course arrives. *All My Friends Are Engaged* is a collection of dating disaster stories, packed with witty and relatable answers to the age-old annoying question of "Why are you still single?" All the stories embarrassingly belong to the author, Jen Glantz, who you may have seen before on Thought Catalog, USA TODAY College, Thethingsilearnedfrom.com, or JDate.

My Kaddish Therese Masson 2016-06-09 This memoir is one of the rare first-hand accounts of a child's life in the Warsaw Ghetto and in hiding on the Aryan side. In this short, beautifully written account, the author weaves together memories from her wartime childhood, reflections on the psychological burdens and damages she carried into her adult life, and accounts of her travel, in the last decade of her life, to contemporary Warsaw, seeking to find traces of the past. In these pages, the reader will encounter events as they were experienced by a child, as well as insights and confessions of an adult- written vividly, honestly, and with striking psychological insight. This unique tapestry of time and perspective makes this book stand out in the vast and growing literature about the Holocaust. This is the black and white version.

Me Talk Pretty One Day David Sedaris 2009-05-04 A new collection from David Sedaris is cause for jubilation. His recent move to Paris has inspired hilarious pieces, including *Me Talk Pretty One Day*, about his attempts to learn French. His family is another inspiration. *You Cant Kill the Rooster* is a portrait of his brother who talks incessant hip-hop slang to his bewildered father. And no one hones a finer fury in response to such modern annoyances as restaurant meals presented in ludicrous towers and cashiers with 6-inch fingernails. Compared by *The New Yorker* to Twain and Hawthorne, Sedaris has become one of our best-loved authors. Sedaris is an amazing reader whose appearances draw hundreds, and his performances including a jaw-dropping impression of Billie Holiday singing *I wish I were an Oscar Meyer weiner* are unforgettable. Sedaris's essays on living in Paris are some of the funniest he's ever written. At last, someone even meaner than the French! The sort of blithely sophisticated, loopy humour that might have resulted if Dorothy Parker and James Thurber had had a love child. *Entertainment Weekly* on *Barrel Fever* Sidesplitting Not one of the essays in this new collection failed to crack me up; frequently I was helpless. *The New York Times Book Review* on *Naked*

A Letter from Paris Louisa Deasey 2020-05-26 A father's long-lost letters spark a compelling tale of inheritance and creativity, loss and reunion When Louisa Deasey receives a message from a Frenchwoman called Coralie, who has found a cache of letters in an attic, written about Louisa's father, neither woman can imagine the events it will set in motion. The letters, dated 1949, detail a passionate affair between Louisa's father, Denison, and Coralie's grandmother, Michelle, in post-war London. They spark Louisa to find out more about her father, who died when she was six. From the seemingly simple question "Who was Denison Deasey?" follows a trail of discovery that leads Louisa to the streets of London, to the cafes and restaurants of Paris and a poet's villa in the south of France. From her father's secret service in World War II to his relationships with some of the most famous bohemian artists in post-war Europe, Louisa unearths a portrait of a fascinating man, both at the epicenter and the mercy of the social and political currents of his time. *A Letter from Paris* is about the stories we tell ourselves, and the secrets the past can uncover, showing the power of the written word to cross the bridges of time.

The Body Papers Grace Talusan 2019-04-02 Winner of The Restless Books Prize for New Immigrant Writing "Grace Talusan writes eloquently about the most unsayable things: the deep gravitational pull of family, the complexity of navigating identity as an immigrant, and the ways we move forward even as we carry our traumas with us. Equal parts compassion and confession, *The Body Papers* is a stunning work by a powerful new writer who—like the best memoirists—transcends the personal to speak on a universal level." —Celeste Ng, author of *Everything I Never Told You* and *Little Fires Everywhere* Born in the Philippines, young Grace Talusan moves with her family to a New England suburb in the 1970s. At school, she confronts racism as one of the few kids with a brown face. At home, the confusion is worse: her grandfather's nightly visits to her room leave her hurt and terrified, and she learns to build a protective wall of silence that maps onto the larger silence practiced by her Catholic Filipino family. Talusan learns as a teenager that her family's legal status in the country has always hung by a thread—for a time, they were "illegal." Family, she's told, must be put first. The abuse and trauma Talusan suffers as a child affects all her relationships, her mental health, and her relationship with her own body. Later, she learns that her family history is threaded with violence and abuse. And she discovers another devastating family thread: cancer. In her thirties, Talusan must decide whether to undergo preventive surgeries to remove her breasts and ovaries. Despite all this, she finds love, and success as a teacher. On a fellowship, Talusan and her husband return to the Philippines, where she revisits her family's ancestral home and tries to reclaim a lost piece of herself. Not every family legacy is destructive. From her parents, Talusan has learned to tell stories in order to continue. The generosity of spirit and literary acuity of this debut memoir are a testament to her determination and resilience. In excavating such abuse and trauma, and supplementing her story with government documents, medical records, and family photos, Talusan gives voice to unspeakable experience, and shines a light of hope into the darkness.

Mark on Paper Elana Mark 2017-05-10 Everyone does have a story. This memoir is Elana's story, told in poems, art work and short stories. Through her writing, she takes us on a journey through her childhood, young adulthood and beyond. The stories, told with humor and sensitivity, are enhanced by her poetry and her art work. Mark on Paper invites us to share the challenges and adventures of Elana's extraordinary life in the United States and in Israel.

Paper Shadows Wayson Choy 2005 In 1995, during the publicity tour for his much-acclaimed first novel, "The Jade Peony," Wayson Choy received a mysterious phone call from a woman claiming to have just seen his mother on a streetcar. He politely informed the caller that she must be mistaken, since his mother had died long ago. "No, no, not that mother," the voice insisted. "Your real mother." Inspired by the startling realization that, like many children of Chinatown, he had been adopted, Choy constructs a vivid and moving memoir that reveals uncanny similarities between his award-winning first novel and the newly discovered secrets of his Vancouver childhood. From his early experiences with ghosts, through his youthful encounters with cowboys and bachelor uncles, to his discovery of family secrets that crossed the ocean from mainland China to Gold Mountain in the form of paper shadows, this is a beautifully wrought portrait of a child's world from one of Canada's most gifted storytellers.

Paper Cuts Stephen Bernard 2018-02-22 A dazzlingly original memoir, Paper Cuts takes us inside the mind of a young Oxford academic devastated by severe mental illness. 'I have a small line of red dots on the back of my left hand, where the needle goes in. I have had hundreds of ketamine injections, more than anyone else, perhaps. The needle goes in, and the truth comes out. Sometimes I am a child again. Sometimes I have the innocence of a child, but I am not innocent. I know too much. I have known too much.' With Paper Cuts, Stephen Bernard boldly lives through the trauma of childhood abuse and mental illness. He writes to escape and confront, to accuse and explain. Each morning when he wakes, Stephen Bernard must reconstruct his self: every night he writes himself a letter to be read the next day. The fractured, intensely personal narrative of Paper Cuts follows a single day in his life as he navigates a course through the effects of mania, medication and memories. 'Beautifully written... Brilliant' Henry Marsh 'Distinguished and desolating... The saving grace is the writer's undaunted eye for the beauty of the world' Hilary Mantel 'Chilling, riveting, extraordinary, wonderful' Roddy Doyle 'It is an extraordinary book in its unblinking

truthfulness' Hannah Jane Parkinson, Observer

The Life Inside Andy West 2022-01-25 Andy West teaches philosophy in prisons. He has conversations with prisoners about their lives, discusses their ideas and feelings, and offers new ways to think about their situation. These questions about how to live are ones we all share, but the extraordinary setting makes them more urgent. Can bad behaviour ever be justified? Do we have the right to forgive ourselves, whether we've committed a crime or offended a friend? Can a prisoner be free? Are they any less free than those of us with a mortgage to pay or a school-run to do? As his students discuss these knotty problems, West struggles with his own inherited guilt: his father, uncle and brother all spent serious time in jail. Was it inevitable that one day he would have to spend time inside too? Moving, sympathetic, wise and frequently funny, The Life Inside is an elegantly written and unforgettable book. Through its blend of memoir, storytelling and gentle philosophical questioning, readers will gain a new insight into our justice system and, more importantly, into themselves.

The Mercy Papers Robin Romm 2009-01-06 When Robin Romm's The Mother Garden was published, The New York Times Book Review called her "a close-up magician," saying, "hers is the oldest kind [of magic] we know: the ordinary incantation of words and stories to help us navigate the darkness and finally to hold the end at bay." In her searing memoir The Mercy Papers, Romm uses this magic to expand the weeks before her mother's death into a story about a daughter in the moments before and after loss. With a striking mix of humor and honesty, Romm ushers us into a world where an obstinate hospice nurse tries to heal through pamphlets and a yelping grandfather squirrels away money in a shoe-shine kit. Untrained dogs scamper about as strangers and friends rally around death, offering sympathy as they clamor for attention. The pillbox turns quickly into a metaphor for order; questions about medication turn to musings about God. The mundane and spiritual melt together as Romm reveals the sharp truths that lurk around every corner and captures, with great passion, the awe, fear, and fury of a daughter losing her mother. The Mercy Papers was started in the midst of heartbreak, and not originally intended for an audience. The result is a raw, unsentimental book that reverberates with humanity. Robin Romm has created a tribute to family and an indelible portrait that will speak to anyone who has ever loved and lost.

Leaving Isn't the Hardest Thing Lauren Hough 2021-04-13 A NEW YORK TIMES BESTSELLER • "A memoir in essays about so many things—growing up in an abusive cult, coming of age as a lesbian in the military, forced out by homophobia, living on the margins as a working class woman and what it's like to grow into the person you are meant to be. Hough's writing will break your heart." —Roxane Gay, author of Bad Feminist Searing and extremely personal essays, shot through with the darkest elements America can manifest, while discovering light and humor in unexpected corners. As an adult, Lauren Hough has had many identities: an airman in the U.S. Air Force, a cable guy, a bouncer at a gay club. As a child, however, she had none. Growing up as a member of the infamous cult The Children of God, Hough had her own self robbed from her. The cult took her all over the globe—to Germany, Japan, Texas, Chile—but it wasn't until she finally left for good that Lauren understood she could have a life beyond "The Family." Along the way, she's loaded up her car and started over, trading one life for the next. She's taken pilgrimages to the sights of her youth, been kept in solitary confinement, dated a lot of women, dabbled in drugs, and eventually found herself as what she always wanted to be: a writer. Here, as she sweeps through the underbelly of America—relying on friends, family, and strangers alike—she begins to excavate a new identity even as her past continues to trail her and color her world, relationships, and perceptions of self. At once razor-sharp, profoundly brave, and often very, very funny, the essays in Leaving Isn't the Hardest Thing interrogate our notions of ecstasy, queerness, and what it means to live freely. Each piece is a reckoning: of survival, identity, and how to reclaim one's past when carving out a future. A VINTAGE ORIGINAL

The Book of Fools Sam Taylor 2021 At once poem, essay, memoir fragment, and art object, The Book of Fools is a sweeping elegy for our earth-and our plastic-choked ocean. Faced with the question of how to express the enormous ecological loss of our time, poet Sam Taylor marries this collective loss to a personal story of loss involving childhood, memory, and a mother's early death to cancer, a story which culminates in a scene the speaker is compelled to revisit, relive, and revise. Along the way, the poet's experiments in a poetics of "self-erasure" create a polyphonic reading experience, enrich the book's journey into the

underworld, and deepen its investigation into nonfiction, myth, and aesthetics. Weaving together a diversity of themes, styles and lyric innovation, *The Book of Fools* challenges and refreshes our notions of what a poem can look like and what it can accomplish.

Acknowledgements Barbara Kay 2015-05-30 ACKNOWLEDGEMENTS: A Cultural Memoir and Other Essays is a collection of previously unpublished writing by National Post columnist Barbara Kay. This wide-ranging selection includes original essays - notably the title essay, a mini-memoir of the cultural and intellectual influences that shaped Kay's worldview - as well as a discursive ramble through the bizarre subculture of the pit bull advocacy movement. In between, readers familiar with Kay's weekly columns over the last ten years will find elaborated commentaries on her niche subjects: the negative impact of feminism on our public institutions and families, the erosion of academic integrity in the universities and our politically correct "rights" culture's sub-version of social and civic reciprocity in Canadian communities.

Memoir of a Flight Attendant Margo D. Anderson 2016-01-29 An intriguing, uncensored, inside view of the not-so-friendly skies through the eyes of former flight attendant, Margo Anderson. If you are a frequent flier, or if you plan to fly in the near future, fasten your seat belt for a turbulent read! After five years of flying with a commuter airline based at Atlanta's Hartsfield-Jackson International Airport, Anderson draws on her personal experiences and conversations, painting a portrayal of life as a flight attendant--grueling twelve hour days, complaining and unfriendly passengers, and unexpected, almost unbelievable situations, especially in the days and weeks following 9/11. Anderson navigates the complex world of flight crews with clarity, insight, wittiness, and her own special brand of humor. Readers are given a view of flying they may never have seen before, through the lens of the workhorse of the airline industry, regarded by many as the "puddle-jumpers," the commuter airlines.

Crying in H Mart Michelle Zauner 2021-04-20 A NEW YORK TIMES NOTABLE BOOK OF THE YEAR • NEW YORK TIMES BEST SELLER • From the indie rockstar of Japanese Breakfast fame, one of TIME's Most Influential People of 2022, and author of the viral 2018 New Yorker essay that shares the title of this book, an unflinching, powerful memoir about growing up Korean American, losing her mother, and forging her own identity. In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of growing up one of the few Asian American kids at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band--and meeting the man who would become her husband--her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, and complete with family photos, *Crying in H Mart* is a book to cherish, share, and reread.

Holes in the Tar Paper Dan W. Calloway 2019-06-15 In *Holes in the Tar Paper*, Dan Calloway's poignant storytelling weaves together colorful tales of a rebellious early life in segregated Palm Beach County and serve as thoughtful meditations on race, family, courage, and aging. In this candid memoir, Dan shows the reader that despite hardships and obstacles, you can live your wildest dreams.

The Paper Palace Miranda Cowley Heller 2021-07-06 REESE'S BOOK CLUB PICK LONGLISTED FOR THE 2022 WOMEN'S PRIZE FOR FICTION INSTANT #1 NEW YORK TIMES BESTSELLER THE PAPER PALACE IS: "Filled with secrets, love, lies and a summer beach house. What more could you ask?"—Parade "A deeply emotional love story...the unraveling of secrets, lies and a very complex love triangle." —Reese Witherspoon (Reese's Book Club July '21 Pick) "Nail-biting." —Town & Country "A magnificent page-

turner." —Cynthia D'Aprix Sweeney, New York Times bestselling author "[An] irresistible placement of a complicated family in a bewitching place." —The New York Times A story of summer, secrets, love, and lies: in the course of a singular day on Cape Cod, one woman must make a life-changing decision that has been brewing for decades. "This house, this place, knows all my secrets." It is a perfect August morning, and Elle, a fifty-year-old happily married mother of three, awakens at "The Paper Palace"—the family summer place which she has visited every summer of her life. But this morning is different: last night Elle and her oldest friend Jonas crept out the back door into the darkness and had sex with each other for the first time, all while their spouses chatted away inside. Now, over the next twenty-four hours, Elle will have to decide between the life she has made with her genuinely beloved husband, Peter, and the life she always imagined she would have had with her childhood love, Jonas, if a tragic event hadn't forever changed the course of their lives. As Heller colors in the experiences that have led Elle to this day, we arrive at her ultimate decision with all its complexity. Tender yet devastating, *The Paper Palace* considers the tensions between desire and dignity, the legacies of abuse, and the crimes and misdemeanors of families.

A Paper Life Tatum O'Neal 2005-10-04 A real Hollywood-style tell-all, this is the extremely candid and highly explosive autobiography of one of the movie industry's most talented and troubled young stars. At age ten, Tatum O'Neal became the youngest Oscar winner in history for her performance in the film classic *Paper Moon*. As the sidekick to her father, the flamboyant star and man-about-town Ryan O'Neal, she became a fixture at the most glamorous Hollywood parties and counted celebrities ranging from Cher to Stanley Kubrick among her childhood friends. Yet behind the glittering façade of Tatum's life lay heartbreak: abandonment, abuse, neglect, and drug addiction. She reveals the most intimate secrets of her dysfunctional relationships with her father, Ryan O'Neal, and stepmother, Farrah Fawcett, as well as her alcoholic mother, Joanna Moore, and ex-husband, tennis pro John McEnroe. After the collapse of her marriage and with no real family to turn to, Tatum succumbed to the demons of her past that would nearly kill her. Now she has emerged clean and sober, rediscovering herself as an actress, mother, and wonderfully vibrant woman in what she considers the prime of her life.

Paper Daughter M. Elaine Mar 2000-07-25 When she was five years old, M. Elaine Mar and her mother emigrated from Hong Kong to Denver to join her father in a community more Chinese than American, more hungry than hopeful. While working with her family in the kitchen of a Chinese restaurant and living in the basement of her aunt's house, Mar quickly masters English and begins to excel in school. But as her home and school life--Chinese tradition and American independence--become two increasingly disparate worlds, Mar tries desperately to navigate between them. Adolescence and the awakening of her sexuality leave Elaine isolated and confused. She yearns for storebought clothes and falls for a red-haired boy who leads her away from the fretful eyes of her family. In his presence, Elaine is overcome by the strength of her desire--blocking out her family's visions of an arranged marriage in Hong Kong. From surviving racist harassment in the schoolyard to trying to flip her straight hair like Farrah Fawcett, from hiding her parents' heritage to arriving alone at Harvard University, Mar's story is at once an unforgettable personal journey and an unflinching, brutal look at the realities of the American Dream.
