Focus on Grammar 5 Irene Schoenberg 2011 "An integrated skills approach"--P. [4] of cover.

Focus on Grammar 3 with MyEnglishLab Marjorie Fuchs 2012-01 Focus on Grammar, now in a new edition, maintains the proven pedagogy that makes it the most popular contextualized grammar series worldwide. Its unique four-step approach takes students from context to communication -- blending content, reading, writing, listening, speaking and critical thinking in a complete program, and preparing students to understand and use English more effectively. Centered on thematic instruction Focus on Grammar allows students to interact with grammar in realistic contexts and moves them beyond controlled practice to authentic communication. New features include: · Updated high-interest readings in multiple genres that expose students to the form, meaning, and use of grammar in natural contexts. · Key vocabulary is taught, practiced, and recycled throughout each unit, to ensure acquisition. · Fully redesigned grammar charts and notes that provide greater clarity. · Explicit pronunciation activities to improve fluency and accuracy. · Expanded listening tasks allow students to develop a range of listening skills. · Flexible, ongoing assessment -- including unit reviews, diagnostic and achievement tests, and test-generating software -- allows students to monitor their own progress and teachers to track students' mastery. (Test and test-generating software available in the Teacher's Resource Pack) MyEnglishLab: Focus on Grammar, an easy-to-use online learning and assessment program, offers online homework and individualized instruction anywhere, anytime. · Allows teachers to assign extra practice, organize homework, and track students' progress using a flexible gradebook. · Includes hundreds of new automatically graded activities and assessments that support and go beyond the material in the Student Book. MyEnglishLab: Focus on Grammar, includes the complete Student Book listening program as well.

Focus on Grammar 4a Student Book and Workbook 4a Pack Marjorie Fuchs 2011-08

MyEnglishLab Irene E. Schoenberg 2012-01-09

Understanding and Using English Grammar Betty Schramper Azar 2009 The Workbook consists solely of self-study exercises, with answers included, providing students the opportunity to explore and practice grammar independently. It is keyed to explanatory grammar charts in both the Student Book and the Chartbook. Understanding and Using English Grammar is a classic developmental skills text for intermediate to advanced English language learners.

Focus on Grammar Marjorie Fuchs 2016 Building on the success of previous editions, Focus on Grammar , Fifth Edition continues to leverage its successful four-step approach that lets learners move from comprehension to communication within a clear and consistent structure. Centered on thematic instruction, Focus on Grammar combines comprehensive grammar coverage with abundant practice, critical thinking skills, and ongoing assessment, helping students communicate confidently, accurately, and fluently in everyday situations. The Fifth Edition continues to incorporate the findings of corpus linguistics in grammar notes, charts, and practice activities, while never losing sight of what is pedagogically sound and useful. New to This Edition New and updated content showcases culturally relevant topics of interest to modern learners. Updated grammar charts and redesigned grammar notes with clear, corpus-informed grammar explanations reflect real and natural language usage, allowing students to grasp the most important aspects of the grammar. Expanded communicative activities encourage collaboration and application of target grammar in a variety of settings. New unit-ending From Grammar to Writing section allows students to apply grammar in writing through structured tasks from pre-writing to editing. New assessment tools, including course diagnostic tests, formative and summative assessments, and a flexible gradebook, are closely aligned with unit learning outcomes to inform instruction and measure progress. FOG Go app for iPhone® and Android® lets students easily navigate Student Book audio clips on their phone or tablet. Updated for the Fifth Edition, MyEnglishLab: Focus on Grammar offers students engaging practice and video grammar presentations anytime, anywhere with immediate feedback and remediation tasks to help promote accuracy. Other Highlights Scaffolded exercises help learners bridge the gap between identifying grammatical structures and using them with confidence and accuracy. High-interest readings in multiple genres expose students to the form, meaning, and use of grammar in natural contexts. Key vocabulary taught, practiced, and recycled throughout the unit ensures acquisition. Listening tasks give students multiple opportunities to focus on spoken English and develop listening skills. Mapped to the Global Scale of English.

Reading and Vocabulary Focus 4 Catherine Mazur-Jefferies 2020-08-13 National Geographic Reading and Vocabulary Focus is an all-new, four-level reading series that provides the essential reading skills and vocabulary development for maximum academic readiness. Readings grounded in rich National Geographic content tap into learners' curiosity about the world, naturally encouraging inquiry and opportunities to synthesize information. - A comprehensive, three-part vocabulary development program builds student confidence as learners encounter new or unfamiliar words in academic texts: - Academic Vocabulary sections develop the language that students will encounter in academic readings. - Multiword Vocabulary sections identify words that are commonly grouped together and then prompt learners to work with them in different contexts for enhanced comprehension. - Topic Vocabulary is presented as a reading preview strategy to enhance learner comprehension of the text. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Startup Student Book with App and Myenglishlab, L2 Pearson 2018-09-28 StartUp is a completely new course for adults and young adults who want to make their way in the world and need English to do it. StartUp makes learning easy and relevant, focusing on meaningful language that builds student confidence in using English, both in and out of class. Teachers are supported in numerous ways, minimizing preparation time and providing a flexibility that allows for personalized teaching and focus on the skills that are important for their classes. * English for 21st century learners: StartUp helps students learn English as it is spoken and used in the 21st century, such as in text messages, emails, and podcasts; in informal social texts and conversations; and in formal texts and discussions for academic and business contexts. Students acquire collaborative and critical thinking skills they need to succeed in study and at work. * Personalized, flexible teaching: StartUp gives you the flexibility to teach the way you want. The structure,

the wealth of support materials and the practice app offer more options to flip the class, to focus on different strands and skills, and to extend and differentiate instruction to meet students' individual needs. * Motivating and relevant learning: The rich integrated digital content draws students in with engaging video stories, coaching videos, video talks on compelling topics - such as innovation, relationships, and art - and much more to build the language and skills they need. * ActiveTeach allows teachers to present in class with ease and to access all the audio and video where they need it. * The new Pearson Practice English App with QR codes takes students from page to practice, and audio and video for out-of-class practice. * Rich digital media: video conversations, video talks, media projects, and presentation skills integrated throughout for listening and speaking practice. * Specific support from Grammar Coach and Pronunciation Coach videos. * MyEnglishLab provides more intensive online practice. * Comprehensive assessment program in ExamView and MyEnglishLab.

Focus on Grammar, Intermediate, Teacher's Manual and CD-ROM Marjorie Fuchs 2006 The Teacher's Manual contains a variety of suggestions and information to enrich the material in the Student Book. It includes general teaching suggestions for each section of a typical unit, answers to frequently asked questions, unit-by-unit teaching tips with ideas for further communicative practice, and a supplementary listening activity section. Answers to the Student Book exercises and audioscripts of the listening activities are found at the back of the Teacher's Manual. Also included in the Teacher's Manual is a CD-ROM that includes PowerPoint presentations that offer alternative ways of presenting selected grammar structures. Focus on Grammar helps students understand and practice English grammar through contextualized listening, speaking, reading, and writing activities. Focus on Grammar combines controlled and communicative practice with critical thinking skills and ongoing assessment.

Ask a Manager Alison Green 2018-05-01 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together **Science Teaching Reconsidered** National Research Council 1997-03-12 Effective science teaching requires creativity, imagination, and innovation. In light of concerns about American science literacy, scientists and educators have struggled to teach this discipline more effectively. Science Teaching Reconsidered provides undergraduate science educators with a path to understanding students, accommodating their individual differences, and helping them grasp the methods--and the wonder--of science. What impact does teaching style have? How do I plan a course curriculum? How do I make lectures, classes, and laboratories more effective? How can I tell what students are thinking? Why don't they understand? This handbook provides productive approaches to these and other questions. Written by scientists who are also educators, the handbook offers suggestions for having a greater impact in the classroom and provides resources for further research.
