**My Uncle Napoleon** Iraj Pezeshkzad 2006-04-11 The most beloved Iranian novel of the twentieth century “God forbid, I’ve fallen in love with Layli!” So begins the farce of our narrator’s life, one spent in a large extended Iranian family lorded over by the blustering, paranoid patriarch, Dear Uncle Napoleon. When Uncle Napoleon’s least-favorite nephew falls for his daughter, Layli, family fortunes are reversed, feuds fired up and resolved, and assignations attempted and thwarted. First published in Iran in the

1970s and adapted into a hugely successful television series, this beloved novel is now “Suggested Reading” in Azar Nafisi’s Reading Lolita in Tehran. My Uncle Napoleon is a timeless and universal satire of first love and family intrigue.

**Blind Owl (Authorized by the Sadegh Hedayat Foundation - First Translation Into English Based on the Bombay Edition)** Sadegh Hedayat 2012 Widely regarded as Sadegh Hedayat's masterpiece, the Blind Owl is the most important work of literature to come out of Iran in the past century. On the surface this work seems to be a tale of doomed love, but with the turning of each page basic facts become obscure and the reader

soon realizes this book is much more than a love story. Although the Blind Owl has been compared to the works of the Kafka, Rilke and Poe, this work defies categorization. Lescot's French translation made the Blind Owl world-famous, while D.P. Costello's English translation made it largely accessible. Sadly, this work has yet to find its way into the English pantheon of Classics. This 75th anniversary edition, translated by award-winning writer Naveed Noori and published in conjunction with the Hedayat Foundation, aims to change this and is notable for a number of firsts: \*The only translation endorsed by the Sadegh Hedayat Foundation \*The first translation to use the definitive Bombay edition (Hedayat's handwritten text) \*The only available English translation by a native Persian and English speaker \*The preface includes a detailed textual analysis of the Blind Owl Finally, by largely preserving the spirit as well as the structure of Hedayat's writing, this edition brings the English reader into the world of the Hedayat's Blind Owl as never before. Extensive footnotes (explaining Persian words, phrases, and customs ignored in previous translations) provide deeper understanding of this work for both the casual reader and the serious student of literature. ...."There are indeed marked differences between Costello's and Noori's translations. As Noori indicates, his attempt to preserve the overabundance of dashes gives the reader a more immediate sense of the narrator's agitation...The first sentence flows on in

Noori's translation, piling sensation upon sensation never allowing us to pause and catch our breath or separate out the images from the sensations. In his discussion of the relationship between his translation and Costello's, Noori also draws on translation theory and sees Costello's focus on the fluidity of the text in English as a "domestication" of Hedayat's original. Noori's new English translation and his preface are a welcome addition and will no doubt draw the attention of scholars interested in Hedayat's works. The close textual and comparative analysis of the type Noori offers marks a new and long-overdue critical approach to the translation of the most celebrated work of modern Persian prose." - Professor Nasrin Rahimieh in Middle Eastern Literatures

The Blind Owl and Other Stories Sadegh Hedayat 2017-07-21 Following a disjointed, vision-like structure, The Blind Owl is the nightmarish exploration of the psyche of a madman. The narrator is an ailing, solitary misanthrope who suffers from hallucinations, and his dreamlike tale is layered, circular, driven by its own demented logic, and punctuated with macabre and surreal episodes such as the discovery of a mutilated corpse, and a bizarre competition in which two men are locked in a dungeon-like room with a cobra. Initially banned in the author's native Iran, the novel first appeared in Tehran in 1941 and became a bestseller. Full of powerful symbolism and terrifying imagery, this dark novella is Hedayat's

masterpiece.

*Sadeq Hedayat* Homa Katouzian 2021-10-21 Sadeq Hedayat is the most famous and the most enigmatic Iranian writer of the 20th century. This book is the first comprehensive study of Hedayat's life and works set against the background of literary and political developments in a rapidly changing Iran over the first half of the 20th century. Katouzian discusses Hedayat's life and times and the literary and political circles with which he was associated. But he also emphasises the uniqueness and universality of his ideas that have both influenced and set Hedayat apart from other Iranian writers of the period and that have given him a mystique that has been instrumental in his posthumous success with acclaimed works such as *The Blind Owl*. This second edition is fully revised and updated to reflect on recent debates and scholarship on Sadeq Hedayat.

**Three Drops of Blood and Other Stories** Sadeq Hedayat 2012-10-25 This collection, previously unpublished in English, displays all the evocative force of Hedayat's writing, and confirms his place in the literary canon. The title story follows the protagonist's increasingly unstable mental state through the repeated occurrence of three drops of blood, while 'Hajji Morad' depicts an almost Joycean epiphany in classically understated terms, as a man mistakes another woman for his wife. Written before the

revolution of 1979, Hedayat's stories were banned by the Tehran authorities in 2006. Addressing themes such as marriage and divorce customs and the displacement of Iran's ancient Zoroastrian faith, they have acquired a new relevance in recent decades.

**The Prince** Hushang Golshiri 2006 In mid-1920s Iran in a crumbling house in a provincial town, the last survivor of a deposed dynasty is slowly dying from tuberculosis. The old prince's domain has been reduced to his domestic household, where the former glories of his ancestors haunt him. Drifting in and out of reality, the prince relives episodes of his forbearers'

exulted and often brutal past; a macabre time of public despotism when men were put to death by being sheathed in plaster, and when a child might be beheaded as punishment for poor schoolwork. Long-dead relatives threaten menacingly from photographs the old prince surrounds himself with, damaged images fleetingly brought to life by a fractured hallucinatory mind, only to fade away as another vestige from the past rattles in its picture frame. As hazy memories bleed into one another, it soon becomes clear that the most torturous for the dying man is that of his wife Fakronessa, who used to taunt him with the energy and violence of his grandfather and great-grandfather, forcing him then to avenge himself by sleeping with their servant Fakhri, and subsequently driving his wife to an early grave.

**The Hospital** Ahmed Bouanani 2018-06-26 A tour de force: an utterly singular modern Moroccan classic "When I walked through the large iron gate of the hospital, I must have still been alive..." So begins Ahmed Bouanani's arresting, hallucinatory 1989 novel *The Hospital*, appearing for the first time in English translation. Based on Bouanani's own experiences as a tuberculosis patient, the hospital begins to feel increasingly like a prison or a strange nightmare: the living resemble the dead; bureaucratic angels of death descend to direct traffic, claiming the lives of a motley cast of inmates one by one; childhood memories and fantasies of resurrection flash in and out of the narrator's consciousness as the hospital transforms before his eyes into an eerie, metaphorical space. Somewhere along the way, the hospital's iron gate disappears. Like Sadegh Hedayat's *The Blind Owl*, the works of Franz Kafka—or perhaps like Mann's *The Magic Mountain* thrown into a meat-grinder—*The Hospital* is a nosedive into the realms of the imagination, in which a journey to nowhere in particular leads to the most shocking places.

**Novel Folklore** Jason Reza Jorjani 2020-02-06 In "Novel Folklore," Jason Reza Jorjani offers a revolutionary interpretation of "The Blind Owl," revealing Hedayat's complex appropriation of libertine Gnostic and antinomian Tantric ideas. On Jorjani's reading, "The Blind Owl" is ultimately about the "Imaginal" metamorphosis of humans into higher beings...

**The Myth of Creation** Sadeq Hedayat 1998 The Myth of Creation [Afsaneh-ye Afarinesh] is one of the earliest works by Iran's best-known twentieth-century writer, Sadeq Hedayat, whose popularity outside Iran is due mostly to his short novel, The Blind Owl. Little has been written in critical literature about this work, perhaps because critics find the subject matter too sensitive for its generally Jewish, Christian and Moslem audiences. Given the general plot line of this story, Hedayat demonstrates an open skepticism towards the three major Middle Eastern religions, particularly Islam, by casting the characters of his story in the form of puppets. This suggests that even the "creator," as perceived by these three religions, is a mere puppet controlled by unseen hands.

**The Colonel** Mahmoud Dowlatabadi 2015-08-15 A pitch black, rainy night in a small Iranian town. Inside his house the Colonel is immersed in thought. Memories are storming in. Memories of his wife. Memories of the great patriots of the past, all of them assassinated or executed. Memories

of his children, who had joined the different factions of the 1979 revolution. There is a knock on the door. Two young policemen have come to summon the Colonel to collect the tortured body of his youngest daughter and bury her before sunrise. The Islamic Revolution, like every other revolution in history, is devouring its own children. And whose fault is that? This shocking diatribe against the failures of the Iranian left over the last fifty years does not leave one taboo unbroken.

**The Blind Owl** Sadegh Hedayat 2010-10-12 An opium addict spirals into madness after losing a mysterious lover in this "extraordinary work" of modern Persian literature (The Times Literary Supplement, UK). Sadegh Hedayat was Iran's most renowned modern fiction writer, and his spine-tingling novel The Blind Owl is considered his seminal work. A classic of modern Iranian literature, this edition is presented to contemporary audiences with a new introduction by Porochista Khakpour, one of the most exciting voices from a new generation of Iranian-American authors. A haunting tale of loss and spiritual degradation, The Blind Owl tells the story of a young opium addict's despair after losing a mysterious lover. Through a series of intricately woven events that revolve around the same set of mental images—an old man with a spine-chilling laugh, four cadaverous black horses with rasping coughs, a hidden urn of poisoned

wine—the narrator is compelled to record his obsession with a beautiful woman even as it drives him further into frenzy and madness.

*Blind Owl* Sadeq Hedayat 2022-04-12 A new English translation of one of the most important, controversial Iranian novels of the twentieth century A Penguin Classic Written by one of the greatest Iranian writers of the twentieth century, *Blind Owl* tells a two-part story of an isolated narrator with a fragile relationship with time and reality. In first person, the narrator offers a string of hazy, dreamlike recollections fueled by opium and alcohol. He spends time painting the exact same scene on the covers of pen cases: an old man wearing a cape and turban sitting under a cypress tree, separated by a small stream from a beautiful woman in black who offers him a water lily. In a one-page transition, the reader finds the narrator covered in blood and waiting for the police to arrest him. In part two, readers glimpse the grim realities that unlock the mysteries of the first part. In a new translation that reflects Hedayat's conversational, confessional tone, *Blind Owl* joins the ranks of classics by Edgar Allan Poe, Franz Kafka, and Fyodor Dostoyevsky that explore the dark recesses of the human psyche.

**Sons and Other Flammable Objects** Porochista Khakpour 2008-11-09 The Iranian-American author's award-winning debut examines an immigrant's coming of age with "punchy conversation, vivid detail [and] sharp humor"

(The New York Times Book Review). Growing up in the United States, Xerxes Adam's understanding of his Iranian heritage vacillates from typical teenage embarrassment to something so tragic it can barely be spoken. His father, Darius, is obsessed with his own exile, and fantasizes about a nonexistent daughter he can relate to better than his living son. His mother changes her name and tries to make friends. But neither of them helps Xerxes make sense of the terrifying, violent last moments in a homeland he barely remembers. As Xerxes grows up and moves to New York City, his major goal in life is to completely separate from his parents. But after the attacks of September 11th change New York forever, and Xerxes meets a beautiful half-Iranian girl on the roof of his building, he begins to realize that his heritage will never let him go. Winner of the California Book Award Silver Medal in First Fiction, *Sons and Other Flammable Objects* is a sweeping, lyrical tale of suffering, redemption, and the role of memory in making peace with our worlds. [Hedayat's Blind Owl as a Western Novel](#) Michael Beard 2014-07-14 The Iranian writer Sadeq Hedayat is the most influential figure in twentieth-century Persian fiction--and the object of a kind of cult after his suicide in 1951. His masterpiece *The Blind Owl* is the most important novel of modern Iran. Its abrupt, tortured opening sentence, "There are sores which

slowly erode the mind in solitude like a kind of canker," is one of the best known and most frequently recited passages of modern Persian. But underneath the book's uncanniness and its narrative eccentricities, Michael Beard traces an elegant pastiche of familiar Western traditions. A work of advocacy for a disturbing and powerful piece of fiction, his comprehensive analysis reveals the significance of *The Blind Owl* as a milestone not only for Persian writing but also for world literature. The international, decentered nature of modernist writing outside the West, typified by Hedayat's European education and wide reading in the Western canon, suggested to Beard the strategy of assessing *The Blind Owl* as if it were a Western novel. Viewed in this context, Hedayat's intricate chronicle challenges the very notion of a national literature, rethinking and reshaping our traditions until we are compelled, "through its eyes," to see them in a new way. #### **The Nenuphar of Marsh; Story of Sadegh Hedayat's Disappointments**

Ahmad Shahvary 2002-05-31 I got familiar with Sadegh Hedayat's works in 1960 when I got a copy of Boof-i Koor, Blind Owl, reprinted of Bombay transcript, from a friend. Though after a short review of the book I found it too much imaginary and I archived it in my bookshelves. During next thirty-seven years after, every time I wanted to read an article about Sadegh Hedayat or one of his books unintentionally it was a negative resistance in me till in year of 1997, when I got three years mission to Bombay, now is called by Indians Mumbai. After some months when I settled down there, I found a treasure of books in Iran Culture House in Bombay, founded by late Dr. Ali Asghar Hekmat ex Minister of Culture and then Extraordinary

and Plenipotentiary Ambassador of Iran in New Delhi, some times in 1335/1956. From then after, I became full time reader of the library which enjoyed from relatively good sets of books on Iran literature, including the works of late Sadegh Hedayat. My study about Sadegh Hedayat began with the reading the book of "the collection of the letters of Sadegh Hedayat", written by Mahmud Katiraei; the book that was edited after the death of the Sadegh Hedayat. "The collection of the letters of Sadegh Hedayat" is including of some letters of the writer to his relatives, mainly Mahmud Hedayat, and some of his friends. These letters have been written in different sections of his short life. Reading this book, and other books written on Sadegh Hedayat as well as his own books, fortunately toke plenty of my mission's time in Bombay that in fact due to many reasons was very unpleasant. So that what you are going to read in this book is the outcome of that study. After reading and preparing the notes from the works of Sadegh Hedayat which were in my access in India, when I returned to Iran, I began reading the books that were written on Hedayat and his works mainly after his suicide in 1951. The present book is in fact the result of this continuous study which took six years. Everyone has its own attitude on this contemporary writer of Iran; some think that he has been the most influential writers other think he was a melancholy person, to my belief he was an ambitious man with an ordinary IQ who

tried to be somehow well-known person from a family whose members enjoyed good and honest reputation in Iran.

The Blind Owl [Farsi] Hedayat 2008-07-01 "Following a disjointed, vision-like structure, The blind owl is the nightmarish exploration of the psyche of a madman"--Book jacket.

*Novel Folklore* Jason Reza Jorjani 2020-02-06 In "Novel Folklore," Jason Reza Jorjani offers a revolutionary interpretation of "The Blind Owl," revealing Hedayat's complex appropriation of libertine Gnostic and antinomian Tantric ideas. Blind owl of Sadegh Hedayat Sādiq Hidayat 1993

Compass Mathias Enard 2018-03-27 Winner of the 2015 Prix Goncourt, an astounding novel that bridges Europe and the Islamic world On the shortlist for the 2017 Man Booker International Prize As night falls over Vienna, Franz Ritter, an insomniac musicologist, takes to his sickbed with an unspecified illness and spends a restless night drifting between dreams and memories, revisiting the important chapters of his life: his ongoing fascination with the Middle East and his numerous travels to Istanbul, Aleppo, Damascus, and Tehran, as well as the various writers, artists, musicians, academics, orientalists, and explorers who populate this vast dreamscape. At the center of these memories is his elusive, unrequited

love, Sarah, a fiercely intelligent French scholar caught in the intricate tension between Europe and the Middle East. With exhilarating prose and sweeping erudition, Mathias Énard pulls astonishing elements from disparate sources—nineteenth-century composers and esoteric orientalists, Balzac and Agatha Christie—and binds them together in a most magical way.

**World Literature and Hedayat's Poetics of Modernity** Omid Azadibougar

2020-02-01 This book introduces the canonical figure Sadegh Hedayat (1903–1951) and draws a comprehensive image of a major intellectual force in the context of both modern Persian Literature and World Literature. A prolific writer known for his magnum opus, *The Blind Owl* (1936), Hedayat established the use of common language for literary purposes, opened new horizons on imaginative literature and explored a variety of genres in his creative career. This book looks beyond the reductive critical tendencies that read a rich and diverse literary profile in light of Hedayat's suicide, arguing instead that his literary imagination was not solely the result of genius but rather enriched by a vast network of the world's literary traditions. This study reflects on Hedayat's attempts at various genres of artistic creation, including painting, fiction writing, satire and scholarly research, as well as his persistent struggles for artistic authenticity, which transcended solidly established literary and artistic

norms. Providing a critical reading of Hedayat's work to untangle aspects of his writing – including reflections on science, religion, nationalism and coloniality – alongside his pioneering work on folk culture, and how humor informs his writings, this text offers a critical review of the status of Persian literature in the contemporary landscape of the world's literary studies.

Based on the two mentioned books, some vegan parties in Iran tend to consider Sadegh Hedayat as the father of Iran's modern vegetarianism.

**The Brief and Frightening Reign of Phil** George Saunders 2005-09-06 From the #1 New York Times bestselling author of the Man Booker Prize-winning novel Lincoln in the Bardo and the story collection Tenth of December, a 2013 National Book Award Finalist for Fiction. In a profoundly strange country called Inner Horner, large enough for only one resident at a time, citizens waiting to enter the country fall under the rule of the power-hungry and tyrannical Phil, setting off a chain of injustice and

mass hysteria. An Animal Farm for the 21st century, this is an incendiary political satire of unprecedented imagination, spiky humor, and cautionary appreciation for the hysteric in everyone. Over six years in the writing, and brilliantly and beautifully packaged, this novella is Saunders' first stand-alone, book-length work—and his first book for adults in five years.

#### The Fiction of Sadeq Hedayat Iraj Bashiri 1984

**Sadeq Hedayat** Homa Katouzian 2007-09-13 Featuring contributions from leading scholars of Iranian studies and / or comparative literature, this edited comprehensive and critical edited collection provides detailed scholarly analysis of Hedayat's life and work using a variety of methodological and conceptual approaches. Hedayat is the author of The Blind Owl, the most famous Persian novel both in Iran and in Europe and America. Many of his short stories are in a critical realist style and are regarded as among some of the best written in twentieth century Iran. But his most original contribution was the use of modernist, more often surrealist, techniques in Persian fiction. Thus, he was not only a great writer, but also the founder of modernism in Persian fiction. Yet both Hedayat's life and his death came to symbolize much more than leading writers would normally claim. He still towers over modern Persian fiction and will remain a highly controversial figure so long as the clash of the modern and the traditional, the Persian and the European, and the

religious and the secular, has not led to a synthesis and a consensus.
