**Wanderlust** Elisabeth Eaves 2011-05-24 Spanning fifteen years of travel, beginning when she is a sophomore in college, *Wanderlust* documents Elisabeth Eaves's insatiable hunger for the rush of the unfamiliar and the experience of encountering new people and cultures. Young and independent, she crisscrosses five continents and chases the exotic, both in culture and in romance. In the jungles of Papua New Guinea, she loses herself—literally—to an Australian tour guide; in Cairo, she reconnects with her high school sweetheart, only to discover the beginning of a pattern that will characterize her life over the long-term: while long-distance relationships work well for her, traditional relationships do not. *Wanderlust*, however, is more than a chronological conquest of men and countries: at its core, it's a journey of self-discovery. In the course of her travels, Eaves finds herself and the sense of home she's been lacking since childhood—and she sheds light on a growing culture of young women who have the freedom and inclination to define their own, increasingly global, lifestyles, unfettered by traditional roles and conventions of past generations of women.

**Bare** Elisabeth Eaves 2011-12-14 It began when she was a teenager with an awareness of her body and the reaction other people had to it. It continued with the realization that women's bodies often gave them a strange power over men. As an adult, it became a fascination with professional sex workers, leading to a plunge into their world. And when Elisabeth Eaves left the world of peep shows and private dancers for the more socially acceptable career of international journalism, she found she could not put that fascination behind her. Her experiences had left her with too many questions and too few answers. So she returned to the world she had left behind. Now, in this candid and insightful book, she recounts her firsthand experience of stripping and gives us a new understanding of women's sexuality and contemporary sexual mores. *Bare* follows the author and her fellow dancers through Seattle strip clubs and bachelor parties, exploring in riveting detail Eaves's own motivations and behavior, as well as those of her coworkers, as they make their way through the sometimes exhilarating, often disturbing world of stripping. Grounded in an understanding of the intricate dynamics of exchanging sexual services for money, Eaves's narrative examines the ways in which the work affects the women: how they negotiate the slippery boundaries between their jobs and their "real" lives; how their personal relationships are altered; how they reconcile themselves—or don't—to the stereotypes that surround their profession; whether the work is exploitative or empowering or both. In its unflinching honesty, *Bare* demands that we take a closer look at the way sexuality is viewed in our culture; what, if anything, constitutes "normal" desire; the ethics of swapping money—or anything else—for sex; and how women and men navigate the perilous contradictions and double standards that make up today's socio-sexual conventions. The stories Eaves tells—outrageous, funny, sad, and deeply affecting—provide an engrossing and unforgettable look at a group of women who have a lot to reveal, not only about one of America's largest and most taboo industries, but about the restrictions, joys, and hypocrisies of the world in which we all live.

**The Lost Girls** Jennifer Baggett 2010-05-11 "A triumphant journey about losing yourself, finding yourself and coming home again. Hitch yourself to their ride: you'll embark on a transformative journey of your own." — Allison Winn Scotch, *New York Times* bestselling author of *The One That I Want* and *Time of My Life* Three friends, each on the brink of a quarter-life crisis, make a pact to quit their high pressure New York City media jobs and leave behind their friends, boyfriends, and everything familiar to embark on a year-long

backpacking adventure around the world in *The Lost Girls*. With their thirtieth birthdays looming, Jen, Holly, and Amanda are feeling the pressure to hit certain milestones—score the big promotion, find a soul mate, have 2.2 kids. Instead, they make a pact to quit their jobs and set out on a journey in search of inspiration and direction. Traveling 60,000 miles across four continents, Jen, Holly, and Amanda push themselves far outside their comfort zones to embrace every adventure. Ultimately, theirs is a story of true friendship—a bond forged by sharing beds and backpacks, enduring exotic illnesses, trekking across mountains, and standing by one another through heartaches, whirlwind romances, and everything in the world in between. *All the Names They Used for God* Anjali Sachdeva 2018 "A haunting, diverse debut story collection that explores the isolation we experience in the face of the mysterious, often dangerous forces that shape our lives, Anjali Sachdeva's debut collection spans centuries, continents, and a diverse set of characters but is united by each character's epic struggle with fate: A workman in Andrew Carnegie's steel mills is irrevocably changed by the brutal power of the furnaces; a fisherman sets sail into overfished waters and finds a secret obsession from which he can't return; an online date ends with a frightening, inexplicable disappearance. Her story "Pleiades" was called "a masterpiece" by Dave Eggers. Sachdeva has a talent for creating moving and poignant scenes, following her highly imaginative plots to their logical ends, and depicting how one small miracle can affect everyone in its wake"--

*What I Was Doing While You Were Breeding* Kristin Newman 2014 Part laugh-out-loud storytelling, part thoughtful self-reflection, this debut memoir from a television comedy writer follows her many adventures around the world in an attempt to escape her fear of commitment and settling down. Original. 50,000 first printing.

**The Yellow Envelope** Kim Dinan 2017-04-04 What Would You Do with a Yellow Envelope? After Kim and her husband decide to quit their jobs to travel around the world, they're given a yellow envelope containing a check and instructions to give the money away. The only three rules for the envelope: Don't overthink it; share your experiences; don't feel pressured to give it all away. Through Ecuador, Peru, Nepal, and beyond, Kim and Brian face obstacles, including major challenges to their relationship. As she distributes the gift to people she encounters along the way she learns that money does not have a thing to do with the capacity to give, but that giving—of ourselves—is transformational.

**Girls Who Travel** Nicole Trilivas 2015-12-01 A hilarious, deftly written debut novel about a woman whose wanderlust is about to show her that sometimes you don't have to travel very far to become the person you want to be... There are many reasons women shouldn't travel alone. But as foul-mouthed, sweet-toothed Kika Shores knows, there are many more reasons why they should. After all, most women want a lot more out of life than just having fun. Kika, for one, wants to experience the world. But ever since she returned from her yearlong backpacking tour, she's been steeped in misery, battling rush hour with all the other suits. Getting back on the road is all she wants. So when she's offered a nanny job in London – the land of Cadbury Cream Eggs – she's happy at the prospect of going back overseas and getting paid for it. But as she's about to discover, the most exhilarating adventures can happen when you stay in one place... Wise, witty, and hilarious, *Girls Who Travel* is an unforgettable novel about the highs and lows of getting what you want—and how it's the things you least expect that can change your life.

**Do Travel Writers Go to Hell?** Thomas B. Kohnstamm 2008 The author describes how he gave up a Wall Street career to take up a job as a travel writer working on the Lonely Planet Brazil guidebook, revealing how his dreams of an all-expenses-paid trip to Brazil were transformed by enormous amounts of research, a shrinking bank balance, hangovers, a looming deadline, questionable guidebook entries, and other challenges. Original. 40,000 first printing.

*The Good Girl's Guide to Getting Lost* Rachel Friedman 2011 Rachel Friedman has always been the consummate good girl who does well in school and plays it safe, so the college grad surprises no one more than herself when, on a whim (and in an effort to escape impending life decisions), she buys a ticket to Ireland, a place she has never visited. There she forms an unlikely bond with a free-spirited Australian girl, a born adventurer who spurs Rachel on to a yearlong odyssey that takes her to three continents, fills her life with newfound friends, and gives birth to a previously unrealized passion for adventure. As her journey takes her to Australia and South America, Rachel discovers and embraces her love of travel and unlocks more truths about herself than she ever realized she was seeking. Along the way, the erstwhile good girl finally learns to do something she's never done before: simply live for the moment.

**Finding George Orwell in Burma** Emma Larkin 2006-03-06 A fascinating political travelogue that traces the life and work of George Orwell, author of *1984* and *ANIMAL FARM*, in Southeast Asia Over the years the American writer Emma Larkin has spent traveling in Burma, also known as Myanmar, she's come to know all too well the many ways this brutal police state can be described as "Orwellian." The life of the mind exists in a state of siege in Burma, and it long has. But Burma's connection to George Orwell is not merely metaphorical; it is much deeper and more real. Orwell's mother was born in Burma, at the height of the British raj, and Orwell was fundamentally shaped by his experiences in Burma as a young man working for the British Imperial Police. When Orwell died, the novel-in-progress on his desk was set in Burma. It is the place George Orwell's work holds in Burma today, however, that most struck Emma Larkin. She was frequently told by Burmese acquaintances that Orwell did not write one book about their country - his first novel, *Burmese Days* - but in fact he wrote three, the "trilogy" that included *Animal Farm* and *Nineteen Eighty-Four*. When Larkin quietly asked one Burmese intellectual if he knew the work of George Orwell, he stared blankly for a moment and then said, "Ah, you mean the prophet!" In one of the most intrepid political travelogues in recent memory, Emma Larkin tells of the year she spent traveling through Burma using the life and work of George Orwell as her compass. Going from Mandalay and Rangoon to poor delta backwaters and up to the old hill-station towns in the mountains of Burma's far north, Larkin visits the places where

Orwell worked and lived, and the places his books live still. She brings to vivid life a country and a people cut off from the rest of the world, and from one another, by the ruling military junta and its vast network of spies and informers. Using Orwell enables her to show, effortlessly, the weight of the colonial experience on Burma today, the ghosts of which are invisible and everywhere. More important, she finds that the path she charts leads her to the people who have found ways to somehow resist the soul-crushing effects of life in this most cruel police state. And George Orwell's moral clarity, hatred of injustice, and keen powers of observation serve as the author's compass in another sense too: they are qualities she shares and they suffuse her book - the keenest and finest reckoning with life in this police state that has yet been written.

*Where I belong is who I am. The Search for Identity in Elisabeth Eaves' "Wanderlust: A Love Affair with Five Continents"* Marie-Kristin Hofmann 2017-08-22 Seminar paper from the year 2014 in the subject English Language and Literature Studies - Literature, grade: 1,0, University of Mannheim (Lehrstuhl für Anglistische Literatur- und Kulturwissenschaft), language: English, abstract: Travel writing helps travel writers to redefine their identity and to revise their concept of home as well as to determine its relative position in the world when using it as a frame of reference. In "Wanderlust: A Love Affair with Five Continents", Elisabeth Eaves, both author and protagonist, renegotiates these two concepts - home and identity - in her inner journey of self-exploration. Making use of a qualitative and explorative approach, this paper investigates the question of how the search for identity and belonging is fashioned in the book. First, the theoretical part of the paper relates the concepts of home and identity to infer how home can function as a source of identity. These theoretical frameworks are then applied in the subsequent section to assess the manner and success of Elisabeth's strategies of identity construction providing an answer to the question whether her mobile lifestyle as a modern nomad leads to homelessness and lack of identity. Finally, the analysis section breaks down the narrative techniques Elisabeth uses to secure her public identity as travel writer and relates them to the construction of her personal identity.

*The Longest Road* Philip Caputo 2013-07-16 Traces the author's 2011 road trip from the southernmost to the northernmost points of the United States to experience firsthand the country's diversity and political tensions in the face of a historic economic recession.

**On the Beaten Path** Robert Rubin 2009-03-03 An eloquent, wise, and witty account of how one man's six-month, end-to-end hike of the Appalachian Trail led him back home.

**Love with a Chance of Drowning** Torre DeRoche 2013-05-14 New love. Exotic destinations. A once-in-a-lifetime adventure. What could go wrong? City girl Torre DeRoche isn't looking for love, but a chance encounter in a San Francisco bar sparks an instant connection with a soulful Argentinean man who unexpectedly sweeps her off her feet. The problem? He's just about to cast the dock lines and voyage around the world on his small sailboat, and Torre is terrified of deep water. However, lovesick Torre determines that to keep the man of her dreams, she must embark on the voyage of her nightmares, so she waves good-bye to dry land and braces for a life-changing journey that's as exhilarating as it is terrifying. Somewhere mid-Pacific, she finds herself battling to keep the old boat, the new relationship, and her floundering sanity afloat. . . . This sometimes hilarious, often harrowing, and always poignant memoir is set against a backdrop of the world's most beautiful and remote destinations. Equal parts love story and travel memoir, *Love with a Chance of Drowning* is witty, charming, and proof positive that there are some risks worth taking.

**A Fortune-Teller Told Me** Tiziano Terzani 2010-02-17 Warned by a Hong Kong fortune-teller not to risk flying for a whole year, Tiziano Terzani — a vastly experienced Asia correspondent — took what he called “the first step into an unknown world. . . . It turned out to be one of the most extraordinary years I have ever spent: I was marked for death, and instead I was reborn.” Traveling by foot, boat, bus, car, and train, he visited Burma, Thailand, Laos, Cambodia, Vietnam, China, Mongolia, Japan, Indonesia, Singapore, and Malaysia. Geography expanded under his feet. He consulted soothsayers, sorcerers, and shamans and received much advice — some wise, some otherwise — about his future. With time to think, he learned to

understand, respect, and fear for older ways of life and beliefs now threatened by the crasser forms of Western modernity. He rediscovered a place he had been reporting on for decades. And it reinvigorated him. The result is an immensely engaging, insightful, and idiosyncratic journey, filled with unexpected delights and strange encounters. A bestseller and major prizewinner in Italy, *A Fortune-Teller Told Me* is a powerful warning against the new missionaries of materialism.

**Looking for Transwonderland** Noo Saro-Wiwa 2012-09-01 A “remarkable chronicle” of a journey back to this West African nation after years of exile (The New York Times Book Review). Noo Saro-Wiwa was brought up in England, but every summer she was dragged back to visit her father in Nigeria—a country she viewed as an annoying parallel universe where she had to relinquish all her creature comforts and sense of individuality. After her father, activist Ken Saro-Wiwa, was killed there, she didn’t return for several years. Then she decided to come to terms with the country her father given his life for. Traveling from the exuberant chaos of Lagos to the calm beauty of the eastern mountains; from the eccentricity of a Nigerian dog show to the decrepit kitsch of the Transwonderland Amusement Park, she explores Nigerian Christianity, delves into the country’s history of slavery, examines the corrupting effect of oil, and ponders the huge success of Nollywood. She finds the country as exasperating as ever, and frequently despairs at the corruption and inefficiency she encounters. But she also discovers that it is far more beautiful and varied than she had ever imagined, with its captivating thick tropical rain forest and ancient palaces and monuments—and most engagingly and entertainingly, its unforgettable people. “The author allows her love-hate relationship with Nigeria to flavor this thoughtful travel journal, lending it irony, wit and frankness.” —Kirkus Reviews

**The Last Baron** Tom Sancton 2022-04-05 A riveting, on-the-edge-of-your-seat tale about the notorious 1978 kidnapping of Baron Édouard-Jean “Wado” Empain, intertwined with the story of his famous grandfather, the first baron and builder of the Paris Métro. A multigenerational saga told against the backdrops of both Belle Époque and 1970s high-fashion Paris. What does it take to create a dynasty? What does it take to keep one going? And what does it take to save the life of the dazzling but flawed man who inherited it all? Launched in the 1880s by the first baron, the Empain industrial empire spread from Belgium and France to span more than a dozen countries. When Wado took over, he further expanded the company, became a key player in France’s nuclear sector, and, by the mid-1970s, was one of the country’s most powerful business leaders—a self-described “master of the universe.” But these were also the “years of lead,” marked by a rash of high-profile kidnappings around the globe, including the headline-grabbing seizure of American heiress Patty Hearst. Wado’s vertiginous rise caught the eye of Alain Caillol, a small-time gangster who had grown up in a wealthy family before embracing a life of crime. On January 23, 1978, Caillol and his confederates snatched the baron off the Paris streets, sure that they’d get the 80 million francs they demanded in ransom. To show they meant business, they chopped off Wado’s little finger and warned that more body parts would follow. But nothing unfolded as the kidnappers, or Wado himself, expected. Would Empain’s company pay? Could his family afford this astronomical sum? How much was the life of a leader, a father, and a husband worth? Most important, could a determined police chief and his crack investigators outsmart the kidnappers? The answers to those questions unspooled over two months in a tangle of events leading to a bloody showdown whose consequences would prove fatal to the Empain dynasty.

**Bare** Elisabeth Eaves 2004-08-24 This riveting, firsthand account of women in the world of stripping is written by a young feminist journalism major who took it all off in the name of research.

**How Not to Travel the World** Lauren Juliff 2015-08-12 It was hitting rock bottom that convinced Lauren to quit her job, sell everything she owned, and travel the world alone. It wasn't an easy decision: she suffered from debilitating anxiety, was battling an eating disorder, and had just had her heart broken. Not only that, but she had so little life experience that she had never eaten rice or been on a bus. She'd hoped leaving everything behind would help her find and heal herself, but instead Lauren's travels were full of bad luck and near-death experiences. She was scammed and assaulted; lost teeth and swallowed a cockroach. She fell into leech-infested rice paddies, was caught up in a tsunami, had the brakes of her motorbike fail, and experienced a very unhappy ending in Thailand. It was just as she was about to give up on travel when she stumbled across a handsome New Zealander with a love of challenges... *How Not to Travel The World* is about following your dreams, no matter how many curveballs life throws at you. It's about learning to get out

of your comfort zone, finding the humour in messed up situations, and falling in love with life on the road. **How the World Really Works** Vaclav Smil 2022-05-10 INSTANT NEW YORK TIMES BESTSELLER “A new masterpiece from one of my favorite authors... [How The World Really Works] is a compelling and highly readable book that leaves readers with the fundamental grounding needed to help solve the world’s toughest challenges.”—Bill Gates “Provocative but perceptive . . . You can agree or disagree with Smil—accept or doubt his ‘just the facts’ posture—but you probably shouldn’t ignore him.”—The Washington Post An essential analysis of the modern science and technology that makes our twenty-first century lives possible—a scientist's investigation into what science really does, and does not, accomplish. We have never had so much information at our fingertips and yet most of us don’t know how the world really works. This book explains seven of the most fundamental realities governing our survival and prosperity. From energy and food production, through our material world and its globalization, to risks, our environment and its future, *How the World Really Works* offers a much-needed reality check—because before we can tackle problems effectively, we must understand the facts. In this ambitious and thought-provoking book we see, for example, that globalization isn’t inevitable—the foolishness of allowing 70 per cent of the world’s rubber gloves to be made in just one factory became glaringly obvious in 2020—and that our societies have been steadily increasing their dependence on fossil fuels, such that any promises of decarbonization by 2050 are a fairy tale. For example, each greenhouse-grown supermarket-bought tomato has the equivalent of five tablespoons of diesel embedded in its production, and we have no way of producing steel, cement or plastics at required scales without huge carbon emissions. Ultimately, Smil answers the most profound question of our age: are we irrevocably doomed or is a brighter utopia ahead? Compelling, data-rich and revisionist, this wonderfully broad, interdisciplinary guide finds faults with both extremes. Looking at the world through this quantitative lens reveals hidden truths that change the way we see our past, present and uncertain future. **Amalfi Blue** Lisa Fantino 2013 As a seasoned NYC news reporter and attorney, Lisa Fantino has seen the world and is not shocked by much. Yet, when her world is tragically altered, Lisa realizes the brevity of life makes makes the urgency to explore her own dreams all the more pressing. So, with the burning desire to be raptured, she sets forth to the land of her DNA to explore the myth of the Italian lover. She journeys to the romantic hills of the Amalfi Coast, mysterious Rome & ethereal Venice. Researching un bacione at a time, Lisa learns what lies beneath the Latin facade. Lust mixes with love; friendship mixes with family; and Italian is charmingly mixed with English. Mamma mia! Along the way life's lessons are sprinkled with pasta, passion & molta pazienza, in this humorous true story of an expat in Sorrento. Hop on board as Lisa discovers that true happiness lies within...while rapture, on the other hand, lies with tall, dark & OMG!

**Wanderlust** Lauren Blakely 2018-03-20 A charming British hero, the woman who tempts him, and a hands-off arrangement that's oh-so-hard to maintain... My bags are packed and I'm ready to go. All I have to do is board a plane, and I'll be on my way to fulfilling a promise I made long ago. Bonus points -- my last week in Paris looks to be even better when I meet a gorgeous, clever American woman and make plans to take her back to my flat that night. But before we can get together for what would surely be a fantastic final fling, my boss hits me with a double whammy. My previous client didn't pay, so the trip's postponed, and the new client I now desperately need is none other than the tempting American I'm about to take home. Time to keep my hands to myself. And as I do, we get to know each other while we wander the streets of Paris together, where I discover she's witty, kind and has a delicious zest for life. Trouble is, I'm taking off for the other side of the world any day now. What could go wrong with falling in love in Paris? Everything, if one of you is leaving...

**Start-up Nation** Dan Senor 2011-09-07 START-UP NATION addresses the trillion dollar question: How is it that Israel-- a country of 7.1 million, only 60 years old, surrounded by enemies, in a constant state of war since its founding, with no natural resources-- produces more start-up companies than large, peaceful, and stable nations like Japan, China, India, Korea, Canada and the UK? With the savvy of foreign policy insiders, Senor and Singer examine the lessons of the country's adversity-driven culture, which flattens hierarchy and elevates informality-- all backed up by government policies focused on innovation. In a world where economies as diverse as Ireland, Singapore and Dubai have tried to re-create the "Israel effect", there are entrepreneurial lessons well worth noting. As America reboots its own economy and can-do spirit, there's never been a better time to look at this remarkable and resilient nation for some impressive, surprising

clues.

**Getting Stoned with Savages** J. Maarten Troost 2006-06-13 From the bestselling author of *The Sex Lives of Cannibals*, the laugh-out-loud true story of his years on the islands of Vanuatu and Fiji, among cannibals, volcanoes . . . and the world's best narcotics. With *The Sex Lives of Cannibals*, Maarten Troost established himself as one of the most engaging and original travel writers around. *Getting Stoned with Savages* again reveals his wry wit and infectious joy of discovery in a side-splittingly funny account of life in the farthest reaches of the world. After two grueling years on the island of Tarawa, battling feral dogs, machete-wielding neighbors, and a lack of beer on a daily basis, Maarten Troost was in no hurry to return to the South Pacific. But as time went on, he realized he felt remarkably out of place among the trappings of twenty-first-century America. When he found himself holding down a job—one that might possibly lead to a career—he knew it was time for he and his wife, Sylvia, to repack their bags and set off for parts unknown. *Getting Stoned with Savages* tells the hilarious story of Troost's time on Vanuatu—a rugged cluster of islands where the natives gorge themselves on kava and are still known to “eat the man.” Falling into one amusing misadventure after another, Troost struggles against typhoons, earthquakes, and giant centipedes and soon finds himself swept up in the laid-back, clothing-optional lifestyle of the islanders. When Sylvia gets pregnant, they decamp for slightly-more-civilized Fiji, a fallen paradise where the local chiefs can be found watching rugby in the house next door. And as they contend with new parenthood in a country rife with prostitutes and government coups, their son begins to take quite naturally to island living—in complete contrast to his dad.

**Man Fast** Natasha Scripture 2019-06 An exhilarating memoir about one woman's globe-trotting journey of inspiring awakening and self-discovery. Shaken by the loss of her father, drained by her job at the United Nations, and conflicted over failed relationships, Natasha Scripture asked herself the question at the heart of her anxiety: What is my purpose? The answer was not about finding love; it was about recognizing its source. The result is *Man Fast*, a true and intimate spiritual detective story. With courage, honesty, and wit, Natasha shares the story of her awakening. Starting with the decision to fast from dating, she embarks on a journey that takes her from New York to an ashram in southern India to toiling in a vineyard on Mount Etna to a solo safari in southern Tanzania. In stepping away from the modern demand to couple up, Natasha finally finds a reflective space where she can be fully aware: of her grief, of her identity, and of love as a mystical, ever-present force. An antidote to a culture that prizes finding the right man, *Man Fast* is an emotionally charged journey that leaves us with a greater understanding of ourselves and the world around us. Revised edition: This edition of *Man Fast* includes editorial revisions.

**Wanderlust** Elisabeth Eaves 2011-05-24 Spanning 15 years of travel, beginning when she is a sophomore in college, *Wanderlust* documents Elisabeth Eaves's insatiable hunger for the rush of the unfamiliar and the experience of encountering new people and cultures. Young and independent, she crisscrosses five continents and chases the exotic, both in culture and in romance. In the jungles of Papua New Guinea, she loses herself -- literally -- to an Australian tour guide; in Cairo, she reconnects with her high school sweetheart, only to discover the beginning of a pattern that will characterize her life over the long-term: while long-distance relationships work well for her, traditional relationships do not. *Wanderlust*, however, is more than a chronological conquest of men and countries: at its core, it's a journey of self-discovery. In the course of her travels, Eaves finds herself and the sense of home she's been lacking since childhood -- and she sheds light on a growing culture of young women who have the freedom and inclination to define their own, increasingly global, lifestyles, unfettered by traditional roles and conventions of past generations of women.

**The Great Railway Bazaar** Paul Theroux 2011 From London across Europe through India and Asia, this was a trip of discovery made in the mid-seventies, a time before the West had embraced the places, peoples, food, faiths and cultures of the East. To visit the lands of *The Great Railway Bazaar* is an encounter with all that is truly foreign and exotic.

**The Other Side of Paradise** Julia Cooke 2014-04-01 Change looms in Havana, Cuba's capital, a city electric with uncertainty yet cloaked in cliché, 90 miles from U.S. shores and off-limits to most Americans. Journalist Julia Cooke, who lived there at intervals over a period of five years, discovered a dynamic scene: baby-faced anarchists with Mohawks gelled with laundry soap, whiskey-drinking children of the elite, Santería trainees, pregnant prostitutes, university graduates planning to leave for the first country that will give them a visa. This last generation of Cubans raised under Fidel Castro animate life in a waning era of political stagnation as the rest of the world beckons: waiting out storms at rummy hurricane parties and attending raucous drag cabarets, planning ascendant music careers and black-market business ventures, trying to reconcile the undefined future with the urgent today. Eye-opening and politically prescient, *The Other Side of Paradise* offers a deep new understanding of a place that has so confounded and intrigued us.

**Travels** Michael Crichton 2012-05-14 From the bestselling author of *Jurassic Park*, *Timeline*, and *Sphere* comes a deeply personal memoir full of fascinating adventures as he travels everywhere from the Mayan pyramids to Kilimanjaro. Fueled by a powerful curiosity—and by a need to see, feel, and hear, firsthand and close-up—Michael Crichton's journeys have carried him into worlds diverse and compelling—swimming with mud sharks in Tahiti, tracking wild animals through the jungle of Rwanda. This is a record of those travels—an exhilarating quest across the familiar and exotic frontiers of the outer world, a determined odyssey into the unfathomable, spiritual depths of the inner world. It is an adventure of risk and rejuvenation, terror and wonder, as exciting as Michael Crichton's many masterful and widely heralded works of fiction.

**Tales of a Female Nomad** Rita Golden Gelman 2007-12-18 The true story of an ordinary woman living an extraordinary existence all over the world. “Gelman doesn't just observe the cultures she visits, she participates in them, becoming emotionally involved in the people's lives. This is an amazing travelogue.” —Booklist At the age of forty-eight, on the verge of a divorce, Rita Golden Gelman left an elegant life in L.A. to follow her dream of travelling the world, connecting with people in cultures all over the globe. In 1986, Rita sold her possessions and became a nomad, living in a Zapotec village in Mexico, sleeping with sea lions on the Galapagos Islands, and residing everywhere from thatched huts to regal palaces. She has observed orangutans in the rain forest of Borneo, visited trance healers and dens of black magic, and cooked with women on fires all over the world. Rita's example encourages us all to dust off our dreams and rediscover the joy, the exuberance, and the hidden spirit that so many of us bury when we become adults.

**Wanderlust** Elisabeth Eaves 2011 This book documents the impulses that drive Elisabeth Eaves' insatiable hunger for the rush of the unfamiliar. She is both restless vagabond and astute observer as she crisscrosses five continents, chasing the exotic in both culture and romance. She loses herself in the jungles of Papua New Guinea, rekindles old love and new passion in Cairo, and finds an intinerant brotherhood of raucous men in the land Down Under. Like the random possessions she leaves in her wake, from Australia to Yemen, she also leaves behind a string of lovers. But this is about more than just sensual conquest; it is also a journey of self-discovery, in which her pursuit ultimately guides her home - back cover.

**The Remote Revolution: How the Location-Independent Workforce Changes the Way We Hire, Connect, and Succeed** John Elston 2017-11-29 Is it hard to recruit exceptional talent? Are you struggling to retain and inspire the employees you have? It's time to rethink hiring practices and examine a revolution that allows professionals to live and work remotely around the world, trading cubicles for experiences that leave them stimulated as employees and as people. After living and working in the corporate world for more than thirty years and launching his own successful start-up in 2010, CEO John Elston decentralized his office. He set off on a journey that allowed him to work while living around the world. Now he shares what he's learned in *The Remote Revolution* and shows you how to work within this new paradigm. His real-life

experiments as a location-independent professional prove that remotes can bridge work and life experiences to boost productivity, sales conversions, creativity, and more. Prepare to take yourself and your company to the next level. With *The Remote Revolution*, you can transform this impending movement into an amazing opportunity.

*Grace* Grace Coddington 2014-11-03 Grace Coddington, the passionate and flame-haired doyenne of fashion. It is said that she has the knack of being in the right place at the right time; that she can predict a trend; turn a piece of clothing into a best-seller which flies off the racks; spot the most talented new photographers, and break out models who epitomize the look of the moment. What is certainly true is that clothes inspire Grace to tell stories; and she has told hundreds of them over the 50 years she has spent in the fashion industry with pictures realised in careful collaborations. And now, here, she tells her own story. Beginning in wartime Anglesey, *Grace: A Memoir* follows her trajectory from London in the swinging Sixties, to Paris at the start of the ready-to-wear revolution, and on to America in the late 1980's when the era of power-dressing and the supermodel began, and the centre of gravity in the fashion world shifted from Europe to the US. More than simply a memoir, this is a cultural history of the last half century, populated by the beautiful people - the models, actors, designers and photographers who make up Grace's world. Along the way Grace shares her forthright views on everything from plastic surgery, cats, photography in the digital era and the nature of beauty.

*Walking the Amazon* Ed Stafford 2012-06 "A riveting account of one man's history-making journey along the entire length of the Amazon--and through the most bio-diverse habitat on Earth. In April 2008, Ed Stafford set off to become the first man ever to walk the entire length of the Amazon. He started on the Pacific coast of Peru, crossed the Andes Mountain range to find the official source of the river. His journey lead on through parts of Colombia and right across Brazil; all while outwitting dangerous animals, machete wielding

indigenous people as well as negotiating injuries, weather and his own fears and doubts. Yet, Stafford was undeterred. On his grueling 860-day, 4,000-plus mile journey, Stafford witnessed the devastation of deforestation firsthand, the pressure on tribes due to loss of habitats as well as nature in its true-raw form." - Publisher's description.

*A Thousand New Beginnings* Kristin Addis 2016-03-24 This is the story of a 26-year-old girl who left her old life with a steady job and boyfriend behind in order to travel through Southeast Asia completely on her own. Over the course of the next year and thousands of miles, hundreds of new beginnings and new friendships, she found that more than traveling the world outside, she traveled the world within. This book is a collection of excerpts from her diary and blog during that time in which she found that traveling alone made all the difference in the world.

**Immediate Action** Andy McNab 2012-12-19 He is one of the most highly decorated soldiers alive. He is also the first to break the code of silence about the most elite fighting force in the world. What Andy McNab has to say is so explosive that the British government tried to stop him. A street fighter, a hard case, and a flawless soldier, Andy McNab became one of the elite fighting men in "the Regiment"--Britain's covert SAS. His actions behind the lines in the Gulf War made him a hero. But the full story of his life and his amazing career in Special Forces has remained a secret...until now. In harrowing detail, McNab takes us inside the Regiment, chronicling nine years of covert operations on five continents. Plunging us into a world of surveillance, counterintelligence, and hostage rescue, he takes us behind the scenes on some of their top secret missions. For the first time, he reveals the shocking details of their training--physically severe, mentally grueling, and sometimes deadly. And he dares to expose some of their highly confidential codes and rules--including the one that sanctions murder. This is the story of the fighting men of the SAS. Here is how they live. And here is how they die...
